Sabbath School Scripture Reading

1 Corinthians 12:27 (NIV)

Now you are the body of Christ, and each one of you is a part of it

The Week at a Glance:

Humans are social beings. God could have created a hundred million perfect human beings as "stand alones" who would each pursue his/her own independent goals. Instead, He first created one male and one female and stated that it would not be good for man to be alone. The first couple was to complement each other. And they were to multiply and create a community of family members and eventually larger social units. One of the most important social units to which people can belong is their church. Unfortunately, many people no longer recognize the social benefits of church membership. Of course, the church is more than a club for men and women who happen to share a certain interest. The church is a community of believers who share in the ultimate experience of salvation and recognize Christ as their Lord.

Announcements

We want to welcome all those who are visiting with us today, and wish all the Fathers a Happy and Blessed Father's Day! Please come again.

AY: Tonight we present the movie "End of the Spear" – a true story revealing how the Holy Spirit works even in disastrous times. Join us at 6:30 pm for this compelling production. Refreshments will be served.

1st Priority: First Priority is a Christian-based organization that builds a bridge from public school campuses to local churches, where students can be discipled and nurtured in a body of believers. Across South Florida, this organization has a common purpose of evangelizing, equipping, and empowering middle and high school students at every public school site to spread the gospel. Currently, Crystal Lake Middle School is in need of a Christian Faculty Advisor to sponsor the young people that are interested in starting this club. We are asking our congregation to get active by praying that a faculty member would be willing to take on the task and initiate a program that could link our church to this untouched mission field. For further information, please contact the Advent Youth Society (AYS) at 321-287-1958 or ays@pompanobeachsda.org or visit www.firstpriority.cc.

Graduation Program: June 27th, at 11am.

July 4th: 1. Youth Church at the Park at 10:00 AM. Come join us for a lively gathering, a filling fellowship meal, and a service that benefits our local community. Please contact the AYS department at 321-287-1958 or ays@pompanobeachsda.org for those interested in volunteering and participating in this program. 2. July 4th @ 6:30 pm - 8:15, we plan to conduct our , "In It to Win It" - Soul winning training program. After closing Sabbath here at Church, we'll break into groups and take to the beach to put our training to practice.

Pathfinders/Adventurers: We would like to thank everyone who supported the Adventurer program for the 2008-2009 year. The directors would like to express their gratitude to the parents and staff for their unwavering efforts. The Awards Banquet last week was a complete success!!
